

Ethio Wetlands and Natural Resources Association

EXTERNAL VACANCY ANNOUNCEMENT

Ethio Wetlands and Natural Resources Association (EWNRA) is an Ethiopian Residents Charity Organization, non-political, non-religious and not-for-profit LNGO working in areas of Sustainable Natural Resources Management (forests, wetlands and agro-ecosystems) and Development (livelihoods, etc.)

With funding from NORAD through the Development Fund of Norway (DF); EWNRA is implementing a project entitled REDD+ Participatory Forest Management southwest Ethiopia in the neighbouring zones namely Agnwa in Gambela, Iluababora in Oromia, Kafa and Sheka zones in South-West Ethiopia Peoples regional states. At present EWNRA is seeking a competent professional for the position of **Participatory, Planning, Monitoring and Evaluation (PPME) Officer** and invites interested candidates to apply for the vacant post

Job Title: Participatory, Planning, Monitoring and Evaluation (PPME) Officer

1. Summary of Job descriptions

Under the supervision of and accountable to the REDD+ PFM project southwest Ethiopia coordinator, the Participatory, Planning, Monitoring and Evaluation (PPME) Officer is responsible to:

- Facilitate the participatory planning, monitoring and Evaluation processes of forestry/natural resources related projects/programs under implementation in the neighbouring zones of the afore mentioned regions in southwest Ethiopia
- Lead the project/program data collection and compilation process on regular bases to measure achievement against the performance indicators.
- Check data quality with partners, maintain and administer the M&E database; analyze and aggregate findings
- Coordinate project progress reporting, project mid-term review and final evaluation
- Collaborate with project/program technical teams, community and government stakeholders in the documentation and disseminations of best practices
- Perform other organizational and project related tasks that may be required by the technical team leader and/or Coordination Office.

2. Qualifications and Experience

The potential candidate for the post should have MA/MSc degree from recognized Universities/Colleges in Forestry, Agro-forestry, Natural Resource Economics, Agricultural economics and related fields. Besides, she/he should have at least five years and above demonstrable work experience in the areas of forest/natural resource related project/program planning, monitoring and Evaluation, Participatory Forest Management (PFM), REDD+ projects/programs, participatory natural resource management, community-based watershed management, Community Livelihood development etc. **NGO experience is an advantage.**

3. Additional requirements

- Competency in computer applications MS offices are required. Other application software's such as SPSS, STATA, GIS etc have additional assets but not mandatory.

- Superior command of written and spoken skills in English is mandatory
- Cooperative, team player, gender sensitive and excellent in interpersonal relationship, have strong commitment and open to learn and share.

Female candidates are encouraged to apply.

Salary: As per the organization's scale

Terms of employment: One-year (12 months) contract based on successful performance (with possibility of extension for additional years)

Work Location (Duty station): Ilu Ababor zone, Metu town with extensive travel within zones, woredas and kebeles where the program/projects are under implementation in the three neighbouring regions (Gambela, Oromia and South-west Ethiopia)

Closing date: 10 days after this announcement or until **December 27, 2023** and only **short-listed** applicants will be contacted.

Candidates who fulfil the requirement are invited to submit only their applications together with current curriculum vitae through the email address: **ewnra.vacancy@gmail.com** in digital form. **Please indicate the position on the subject line of the mail while sending your documents.**
